

## Fuel Our Mission

Your Support Keeps Us on the Road,  
Connecting with Our Community!

Greetings,

**At Saving Grace Perishable Food Rescue, our commitment to alleviating hunger and decreasing wasted food is unwavering.** Central to our efforts is our fleet of refrigerated vehicles and our dedicated field team, made possible by generous donors like you.

These vehicles tirelessly traverse thousands of miles each year, piloted by our drivers who rescue high quality, nutritious food from numerous donor locations and deliver it same-day to our 40 nonprofit partners. **Our logistics and distribution operation serves as a vital conduit, ensuring that excess produce, proteins, fruits, dairy, and prepared meals reach those who need them most, instead of ending up in the landfill.**

Food insecurity impacts nearly 80,000 individuals across Douglas, Sarpy, and Pottawattamie counties, with 26,250 of them being children. For these individuals and the agencies that serve them, our trucks represent access and hope.

**Your contribution to Saving Grace helps sustain the maintenance, fuel, and operational expenses of our fleet.** By ensuring their reliability and efficiency, your gift will enable us to continue reaching communities in need, explore new avenues for assistance, and forge lasting connections with those who rely on the food provided through Saving Grace.

Please consider making a gift to keep our trucks moving towards a more vibrant future.

With heartfelt gratitude,

*Lenli Corbett Kountze*

# Hungry for Your Help

Take a look below at our impact in 2023 and help us make an even bigger difference in 2024. Support Saving Grace by making a one-time gift or becoming a monthly donor. Your contribution will prevent high quality food from going to waste and provide nourishment to those in need in our community. By donating to Saving Grace, you support a solution that benefits both people and the planet.

**125** Business locations donated their excess perishable and prepared foods.

**654,780** Pounds of perishable food rescued.

**25** Events Saving Grace participated in to spread our mission in the community.
